VET Student Loans
An Australian Government Initiative

Fly Oz

Established in 2013 in Cowra, NSW, Fly Oz is a vibrant flight training school with a professional, enthusiastic and knowledgeable Instructing team, dedicated to making your learning experience achievable, exciting and enjoyable.

Our success in training job ready pilots in a friendly atmosphere is our greatest strength. Students learn in modern classroom facilities and fly well maintained aircraft. Every member of the Fly Oz team is there to ensure that your pilot training happens on time and to the highest standard.

VET Student Loans

The VET Student Loan (VSL) program is an Australian Government assistance loan that helps eligible VET students, studying for a diploma qualification or higher, to pay their tuition fees. The Diploma In Aviation Courses offered by Fly Oz are eligible for these loans.

There are eligibility criteria including citizenship and residency requirements. Although a VET Student Loan (VSL) is a good initiative, there are certain aspects of the scheme that must be understood before going ahead with a government loan. The most important fact is that VET Student Loans attract a 20% fee, which is added to the course price. VSL is interest free.

Course Outline

This qualification allows you to work in the aviation industry and it is the first step for those who wish to be a professional pilot within regular passenger transport, charter, agricultural operations, and aerial surveying.

Entry Requirements

- Class 1 Medical certificate
- Aviation English ICAO Level 4 or IELTS 6.0
- Aviation Security Identification Card (ASIC)
- Aviation Reference Number (ARN)
- Be at least 17 years of age.

Course Outcomes and Pathways

Hours quoted are a realistic prediction of student outcomes. Student skill and application may alter these hours. If additional training is required, it will be at the hourly rate at the student's expense. Payments can be made in instalments but must be made in advance.

Course Structure

This course is structured to ensure that students receive adequate training in AVI50219 Diploma of Aviation (CPL). This includes 46 weeks of classroom-based training of 15 hours per week face-to-face delivery. Students are required to conduct some learning away from the flying school for about 10 hours per week.

The qualification is made up of 29 units of competency which consists of 28 core units and 1 elective.

Units chosen by Fly Oz are based on industry requirements to align with CASA flying licencing requirements.

Course Fees* **\$ 79,900**

Administration Fees* **\$250**

Fly Oz takes applications every 12 weeks.

Important Information – Student Handbook, Policies and Procedures, Fees and Charges

Information about our training and assessment, policies and procedures are included on our website www.flyoz.com.au and should be read by you, prior to enrolment in addition to the Student Handbook which is also located on our website. These documents contain important information about your training course, fees and charges including our refund policy.

Identification of Student Needs & Student Support

Student needs are declared by the applicant at the time of enrolment. The application form allows the applicant to self-declare where they have learning disabilities.

Every student is interviewed either face-to-face or over the telephone to attempt to establish the applicant skill and knowledge levels, their current employment and how that relates to the course content and interaction.

Fly Oz conducts a language, literacy and numeracy (LLN) assessment as part of the pre-enrolment aptitude testing. Reasonable adjustment to training and assessment will be made and additional support (e.g. LLN, assistive technology, additional training, alternative delivery and assessment modes and methods) provided where students with physical attributes or specific learning needs are identified as requiring these changes to complete their training and assessment.

Notes to the Tuition Schedule

This VET Course of study includes only units of competency from the Diploma of Aviation (Commercial Pilot Licence). As this course is approved under the Higher Education Support Act 2003, eligible students' tuition fees may be deferred under the VET Student Loans scheme.

It is a requirement that only those who meet the requirements below can access a VET Student Loans for this course.

Those requirements are that a person must:

- Unique Student Identifier – USI – application can be made at: www.usi.gov.au
- Class 1 Medical or proof of holding a Class 1 Medical prior without revocation – The list of approved Designated Aviation Medical Examiners (DAMEs) is available at www.services.casa.gov.au/avmed/dame-search/
- This course is suitable for people with no previous flying experience who like a vocation in the aviation industry.

Please note that the above does not include the following incidental fees, which must be covered by the student:

- Tuition fees and flight costs for remedial training outside the approved syllabus (repeat flight lessons and ground training) required to achieve competency. These are charged at the current price list rates as published on the Fly Oz website.
- Any repeat attempt of any CASA exams required for your course. This includes repeating an exam that you fail to attend. These are charged at the current rates as detailed on the Aspeq website: <https://aslau.aspeqexams.com/Home/TermsAndConditions/>
- Any repeat attempt of any Flight tests required for your course. This includes both the cost of the flight sortie and the Testing officer's fees.
- Any additional textbooks you choose to purchase outside the issued textbooks or replacement books should you lose or misplace an issued text book.
- Uniform costs – you will need to supply your own as per the Fly Oz dress code.
- Flight & booking cancellation fees – these fees assist in covering the overhead costs if a student does not attend or complete a scheduled flight/booking as per the attendance and cancellation policy.
- The cost of gaining and maintaining your CASA Class 1 or 2 pilots medical
- The cost of gaining and maintaining your ASIC security clearance card
