Important Information – Student Handbook, Policies and Procedures, Fees and Charges

Information about our training and assessment, policies and procedures are included on our website www.flyoz.com.au and should be read by you, prior to enrolment in addition to the Student Handbook which is also located on our website. These documents contain important information about your training course, fees and charges including our refund policy.

Identification of Student Needs & Student Support

Student needs are declared by the applicant at the time of enrolment. The application form allows the applicant to self-declare where they have learning disabilities.

Every student is interviewed either face-to-face or over the telephone to attempt to establish the applicant skill and knowledge levels, their current employment and how that relates to the course content and interaction.

Fly Oz conducts a language, literacy and numeracy (LLN) assessment as part of the pre-enrolment aptitude testing. Reasonable adjustment to training and assessment will be made and additional support (e.g. LLN, assistive technology, additional training, alternative delivery and assessment modes and methods) provided where students with physical attributes or specific learning needs are identified as requiring these changes to complete their training and assessment.
