An Australian Government Initiative

Fly Oz

Established in 2013 in Cowra, NSW, Fly Oz is a vibrant flight training school with a professional, enthusiastic and knowledgeable Instructing team, dedicated to making your learning experience achievable, exciting and enjoyable.

Our success in training job ready pilots in a friendly atmosphere is our greatest strength. Students learn in modern classroom facilities and fly well maintained aircraft. Every member of the Fly Oz team is there to ensure that your pilot training happens on time and to the highest standard.

Course Outline

This qualification of combined AVI50222 Diploma of Aviation (Commercial Pilot Licence) and AVI50519 Diploma of Aviation (Instrument Rating.) gets you 'job ready' to work in the aviation industry and it is the key step for those who wish to be a professional pilot within air transport operations, agricultural operations and aerial surveying. Combined with the Instrument Rating, this qualification is the minimum requirement for most charter and airline cadetship programs.

Fly Oz Syllabus completes the CPL portion of the training syllabus for the Commercial Pilot Licence in the Cessna 206 and in the Gas Turbine Cessna 208. The Instrument Rating is conducted in the Beechcraft Baron multi-engine aircraft, so you will be fully job ready on completion of this combined diploma course.

Entry Requirements

- Class 1 Medical Certificate
- Aviation English ICAO Level 6 or IELTS 6.0
- Aviation Security Identification Card (ASIC)
- Aviation Reference Number (ARN)
- Be at least 17 years of age.

Course Outcomes and Pathways

Hours quoted are a realistic prediction of student outcomes.

Course Structure

This combined course is structured to ensure that students receive adequate training in AVI50222 Diploma of Aviation (Commercial Pilot Licence) and AVI50519 Diploma of Aviation (Instrument Rating.) This includes 46 weeks of classroom-based training of 20 hours per week face-to-face delivery. Students are required to conduct some learning away from the flying school for about 10 hours per week.

The qualification is made up of 33 units of competency which consists of 31 core units and 2 electives. Units chosen by Fly Oz are based on industry requirements to align with CASA flying licencing requirements.

Course Fees*

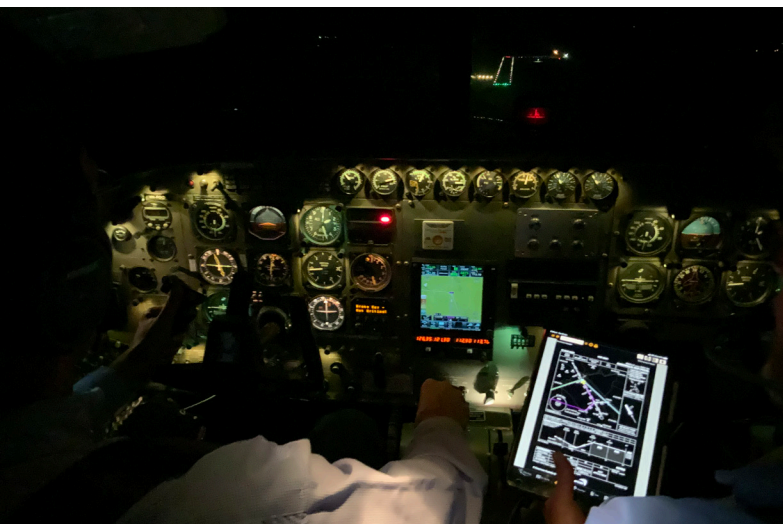

\$161,625

Fly Oz takes applications every 12 weeks.

UNIT CODE		UNIT NAME	Hours
	CORE		
1	AVIE0006	Maintain aircraft radio communications	22.5
2	AVIF0026	Implement aviation risk management processes	25
3	AVIF0027	Implement aviation fatigue risk management processes	20
4	AVIF0033	Manage aircraft passengers and cargo	20
5	AVIF0035	Manage human factors in aviation operations	20
6	AVIH0010	Plan a flight under visual flight rules	30
7	AVIH0014	Navigate aircraft under visual flight rules	70
8	AVILIC0003	Licence to operate a commercial aeroplane	0
9	AVIO0017	Manage disruptive behaviour and unlawful interference with aviation	10
10	AVIW0029	Manage pre- and post-flight actions	20
11	AVIY0034	Operate in controlled airspace	20
12	AVIY0035	Operate in Class G airspace	35
13	AVIY0036	Operate at non-towered aerodromes	25
14	AVIY0037	Operate at a controlled aerodrome	25
15	AVIY0040	Apply aeronautical knowledge to aviation operations	37.5
16	AVIY0041	Apply the principles of civil air law to aviation operations	15
17	AVIY0083	Execute advanced aeroplane manoeuvres and procedures	35
18	AVIY0047	Manage abnormal aeroplane flight situations	25
19	AVIY0054	Control aeroplane on the ground	20
20	AVIY0055	Take off aeroplane	15
21	AVIY0056	Control aeroplane in normal flight	30
22	AVIY0057	Land aeroplane	20
23	AVIY0058	Manage aircraft fuel	10
24	AVIZ0006	Manage situational awareness in aircraft flight	150
25	AVIF0029	Implement threat and error management strategies	15
26	AVIF0030	Manage safe flight operations	15
27	AVIH0013	Plan a flight under instrument flight rules	20
28	AVIH0017	Navigate aircraft under instrument flight rules	35
29	AVIW0032	Operate and manage aircraft systems	20
30	AVIY0033	Operate aircraft using aircraft flight instruments	35
31	AVIY0044	Conduct a 2D instrument approach	10

32	AVIY0050	Perform instrument arrival and standard arrival route procedures	15
33	AVIY0073	Operate aircraft in the traffic pattern at night	10
34	AVIY0074	Perform non-published instrument departure procedures	10
35	AVIY0075	Perform published instrument departure procedures	10
36	AVIY0076	Perform visual circling approach	5
37	AVIY0081	Conduct a 2D global navigation satellite system non-precision instrument approach	10
ELECTIVES			
38	AVIH0015	Plan a flight under night visual flight rules	10
39	AVIY0045	Conduct a 3D instrument approach	10
Total face to face hours			930

Fly Oz reserves the right to change these units as required, however students will be notified in advance.

Volume of Learning

The volume of learning allocated to a qualification will vary depending on the level of the qualification and the experience and competency of the student. As per the Australian Quality Framework, students must complete the allocated hours for the qualification they are undertaking in order to achieve competency. If the student applies for Recognition of Prior Learning or Credit Transfer, the volume of learning may be reduced. The hours that make up the volume of learning for Diploma of Aviation Combined AVI50222 and AVI50519 are shown in the table below.

 Categories	 Hours
Face to face learning and assessment – conducted over 20 hours per week for a period of 46 weeks including ground briefing, flight times and simulator training.	930
Students will be required to study an additional 15 hours per week in their own time.	690
Total Volume of Learning	1620

Student supplied resources

The Student must supply:

- Class 1 Medical Certificate
- Aviation Reference Number (ARN) from CASA
- Aviation Security Identification Card (ASIC Card) to be worn at all times
- Pass in Aviation English (ICAO Level 4) Minimum IELTS 6.0
- Good quality UV rated sunglasses
- Shoes black business style hard sole
- Stationary: A4 Folders with plastic sleeves, A4 blank paper, basic calculator (not a phone)
- iPad or tablet with access to Electronic Flight Bag
- Backpack for carrying class materials, books, references
- Pilot uniforms (uniform pack of 3 polo shirts and 1 cap or beanie is \$100)
- Headset
- Pilot logbook
- Current edition of Charts and En Route Supplement Australia (ERSA)
- Navigation Ruler and Plotter
- AVI50222 Diploma of Aviation (Commercial Pilot Licence – Aeroplane) RPL, PPL, CPL, Theory textbooks by Bob Tait's Aviation Theory School

Fly Oz supplied resources

Fly Oz will supply:

- Aircraft models and training aids
- Aircraft
- Synthetic Trainer ("Sim")
- Internet access
- Library of aviation magazines, interest books and supplementary textbooks

Campus Details and Facilities

Fly Oz Pty Ltd is located at **9 Richards Drive, Cowra**.

All flight training and ground theory will be completed on campus at Cowra Airport

Local Library Services

There is a local library located at **77 Darling Street, Cowra NSW 2794**. However, the flying school has a comprehensive library available at the airfield and most of the documentation is available via the Internet.

How to Apply

Please contact Fly Oz by

- 02 6342 1812
- admin@flyoz.com.au
- flyoz.com.au
- facebook.com/flyozaustralia

Important Information – Student Handbook, Policies and Procedures, Fees and Charges

Information about our training and assessment, policies and procedures are included on our website www.flyoz.com.au and should be read by you, prior to enrolment in addition to the Student Handbook which is also located on our website. These documents contain important information about your training course, fees and charges including our refund policy.

Identification of Student Needs & Student Support

Student needs are declared by the applicant at the time of enrolment. The application form allows the applicant to self-declare where they have learning disabilities.

Every student is interviewed either face-to-face or over the telephone to attempt to establish the applicant skill and knowledge levels, their current employment and how that relates to the course content and interaction.

Fly Oz conducts a language, literacy and numeracy (LLN) assessment as part of the pre-enrolment aptitude testing. Reasonable adjustment to training and assessment will be made and additional support (e.g. LLN, assistive technology, additional training, alternative delivery and assessment modes and methods) provided where students with physical attributes or specific learning needs are identified as requiring these changes to complete their training and assessment.

Schedule of VET Tuition Fees

Course: Diploma of Aviation combined AVI50222 and AVI50519

Commencement Date: 02 April 2024

Location: 9 Richards Drive, Cowra, NSW, 2794

Delivery Mode: On site, full-time face-to-face

Details: This course is applicable for students who have at least an Australian CPL.

Standard Units

Name of Unit of Study	Unit of Study Code	Duration	Commencement Date	Census Date	Completion Date	Tuition Fees (\$)	EFTSL
RPL Theory & Training	RPL1	6 weeks	02.04.2024	10.04.2024	12.05.2024	\$14,300	0.2

Notes to the Tuition Schedule

This VET Course of study includes units of competency from both Diploma of Aviation Commercial Pilot Licence and Diploma of Aviation Instrument Rating. As this course is approved under the Higher Education Support Act 2003, eligible students' tuition fees may be deferred under the VET Student Loans scheme.

It is a requirement that only those who meet the requirements below can access a VET Student Loans for this course.

Those requirements are that a person must:

- Unique Student Identifier - USI - application can be made at: www.usi.gov.au
- Class 1 Medical or proof of holding a Class 1 Medical prior without revocation – The list of approved Designated Aviation Medical Examiners (DAMEs) is available at www.services.casa.gov.au/avmed/dame-search/

Please note that the above does not include the following incidental fees, which must be covered by the student:

- Tuition fees and flight costs for remedial training outside the approved syllabus (repeat flight lessons and ground training) required to achieve competency. These are charged at the current price list rates as published on the Fly Oz website..
- Any repeat attempt of any CASA exams required for your course. This includes repeating an exam that you fail to attend. These are charged at the current rates as detailed on the Aspeq website: <https://aslau.aspeqexams.com/Home/TermsAndConditions/>
- Any repeat attempt of any Flight tests required for your course. This includes both the cost of the flight sortie and the Testing officer's fees.
- Any additional textbooks you choose to purchase outside the issued textbooks or replacement books should you lose or misplace an issued text book.
- Uniform costs – you will need to supply your own as per the Fly Oz dress code.
- Flight & booking cancellation fees – these fees assist in covering the overhead costs if a student does not attend or complete a scheduled flight/booking as per the attendance and cancellation policy.
- The cost of gaining and maintaining your CASA Class 1 or 2 pilots medical
- The cost of gaining and maintaining your ASIC security clearance card
